## Collezione colori telaio / Frame color collection

 BIANCO /white  
 MANGANESE /manganese  
 SELEZIONE RAL/RAL selection  
 Disponibile su richiesta / Available on demand

Le tinte illustrate in questa collezione colore hanno valore puramente indicativo in quanto la percezione del colore in stampa subisce notevoli cambiamenti rispetto al colore originale. La scelta della tinta pertanto va confermata solo ed esclusivamente dopo aver visionato la mazzetta fisica presso i rivenditori Gaggio. / The colors shown in this color collection are purely indicative as the perception of color in the printing phase undergoes significant changes compared to the original color. Therefore, the choice of color should be confirmed only and exclusively after viewing the physical color chart at Gaggio retailers.

 Gr/Mq  
 Peso della tela - Grammi per Metro Quadrato  
 Weight of the canvas - Grams per Square Meter

   
 Solidità delle tinte ai raggi UV - Ottima UPF 50+  
 Color fastness to UV rays - Excellent UPF 50+

   
 Colonna d'acqua - idrorepellente > 370 mm  
 Water column - water repellent > 370 mm

   
 Colonna d'acqua - impermeabile >1000 mm  
 Water column - waterproof > 1000 mm

   
 Tessuto totalmente impermeabile all'acqua  
 Totally waterproof fabric

   
 UV resistant - Protezione ottimale dai raggi ultravioletti diretti / UV resistant - Optimal protection from direct ultraviolet rays
